HEARING DATE: November 23, 2004
DECISION DATE: December 7, 2004

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register and by mail to the Applicant, Advisory Neighborhood Commission (ANC) 3C, and to owners of all property within 200 feet of the property that is the subject of this application. The application was also referred to the Office of Planning (OP). The OP submitted a report in support of the application. The subject property is located within the jurisdiction of ANC 3C. ANC 3C submitted a letter in support of the application.

As directed by 11 DCMR § 3119.2, the Board required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for a special exception pursuant to 11 DCMR §§ 3104.1, 1302 and 1304, and variances under 11 DCMR § 3103.2 from the strict application of the requirements of §§ 773, 776 and 2001.3.

No party appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The Board closed the record at the conclusion of the hearing. Based upon the record before the Board, and having given great weight to the Office of Planning and ANC reports filed in this case, the Board concludes that the applicant has met the burden of proof pursuant to 11 DCMR § 3104.1, for a special exception under sections 1302 and 1304, that the requested relief can be granted as in harmony with the general purpose and intent of the Zoning Regulations and Map and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

The Board also concludes that the applicant has met its burden of proof under 11 DCMR §§ 3103.2, 773, 776 and 2001.3, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. It is therefore **ORDERED** that the application is **GRANTED** subject to the following **CONDITIONS**:

1. The Applicant shall operate and maintain an art gallery that will also be available as meeting space of approx. 25 percent of the ground floor (approx. 740 s.f.) in the area labeled on the plans as "Exitway/Lobby/Art Display Space", Exhibit 31.
2. The art gallery shall be open to the public a minimum of 175 hours per month (including week days and weekend days) except during the last two weeks in December when the University is closed for its winter break. During the referenced 175 hours, the art gallery shall be open to the public from 12 noon through 7 p.m., a minimum of four days per week, and from 11 a.m. until 8 p.m., on at least three weekends per month.
3. The art gallery shall be lighted until at least 9 p.m., six days per week, so that it is readily visible from the sidewalk on the east side of Connecticut Avenue.
4. The art exhibits in the art gallery shall be rotated no less than four times per year, in conjunction with the Stanford University quarter system. In addition, the Applicant shall make the artwork available for sale to the general public. Furthermore, Stanford shall sell items that are reflective of its mission and purposes from a display case, shelving units for other area that is consistent with

the use of the ground floor for art gallery and meeting purposes and not in violation of building code egress and other requirements.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 4-0-1 (Ruthanne G. Miller, John A. Mann II, Curtis L. Etherly, Jr., and John G. Parsons to approve, Geoffrey H. Griffis not voting, not having heard the case).
